

Blueprint
EDUCATION

Blueprint Education Inc. was
founded on June 4, 1969
in Arizona under the previous name of
Phoenix Special Programs and Academies.

Blueprint Education Inc. also provides any student,
any age living across the globe
access to online high school courses to earn their diploma
through a private tuition-based option.

Blueprint Education Inc. has **increased its
operating cash flow almost four (4) fold**
over the last four (4) years currently holding over \$3 million dollars.

Blueprint Education Inc., as an organization,
embraces the Agile philosophy
and implements its tenets through the Scrum process
throughout the teams and infrastructure.

Blueprint Education is governed by a
volunteer Board of Directors.

Blueprint Education Inc. is a 501(c)3
non-profit organization.

Blueprint Education Inc.
**operates two (2) charter
high schools** in Arizona.

Hope High School Online and Hope High School.

**Blueprint Education's
mission is to
inspire students to
make better choices
and be champions
of their own learning.**

Blueprint Education Inc. currently
employs 55 team members
including instructional staff, academic coaches,
support staff, and administrators.

Blueprint Education's
longest tenured employee has
been with the organization
since 1988.

no
